Features

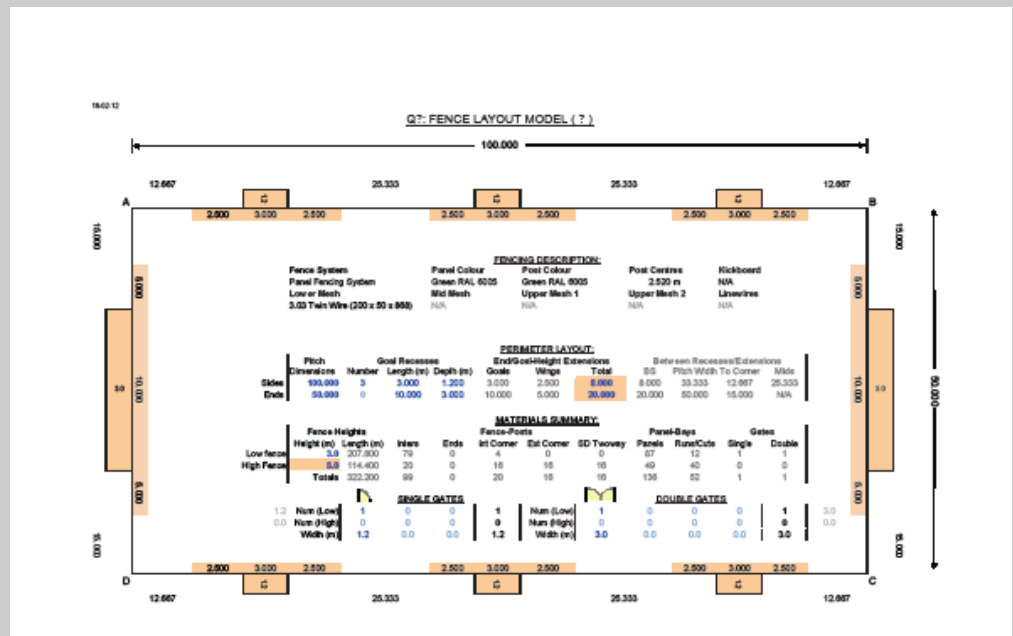

All consultancy is free of charge

30 years experience

Knowledge of a large number of installers

Work experience of British and European manufacturers.

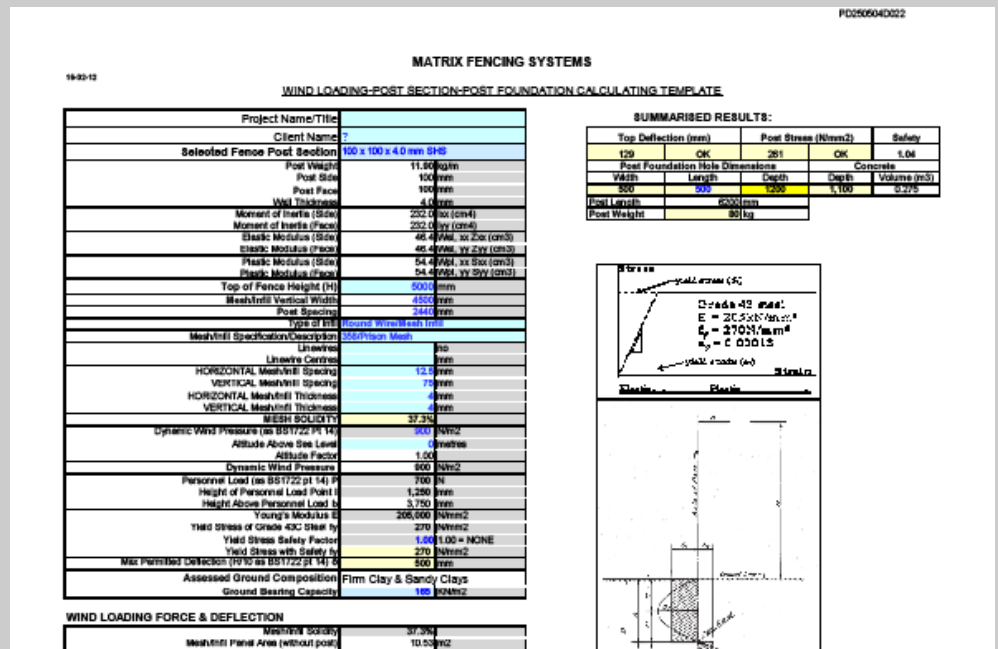

We are Members of the Fencing Contractors Association

Post calculation spreadsheet

We are able to assist with calculating the number of posts and panels required on complicated pitches which may have dual height fences with goal recesses.

We can offer advice to specifiers and fencing contractors on which posts conform to the wind loading requirements of BS part 14.
